AGREEMENT TO LIFT VOLUNTARY ESCROW

On 26 August 2014 Agrimin Limited (“Agrimin” or “the Company”) announced the acquisition of an extensive database of exploration and development information generated by Reward Minerals Limited (“Reward”) during its exploration activities at the Mackay Project. As consideration for the acquisition of the database, Reward was issued 7.5 million fully paid ordinary shares (“Consideration Shares”) which were subject to a minimum one year voluntary escrow.

The Company recently received a request to lift the voluntary escrow applicable to the Consideration Shares to facilitate the sale of Reward’s entire shareholding in Agrimin to Eye Investment Fund.

The directors of Agrimin confirm the Company has agreed to lift the voluntary escrow.
