## SOP MARKETING ADVISOR APPOINTED

### Highlights

- **Appointment of SOP marketing advisor with extensive global agricultural experience and over 30 years' involvement in the fertiliser industry**
- **Marketing and off-take agreements to support project funding are now well advanced**

Agrimin Limited (ASX: AMN) ("Agrimin" or "the Company") is pleased to announce the appointment of an experienced SOP marketing advisor to assist with finalisation of marketing and off-take agreements for the 100%-owned Mackay Potash Project.

Mr Carriere is recognised worldwide for his experience across global agricultural marketing, soft commodity trading, product handling and bulk blending. He has deep experience in negotiating product off-take and sales agreements across the global fertiliser industry. Mr Carriere holds a Bachelors of Agricultural Engineering from ISA Lille and a Masters of International Commerce from ESSEC Business School.

Agrimin has strategically retained 100% of the marketing rights for its planned SOP production from the Mackay Potash Project and is currently finalising marketing and off-take arrangements to support project funding. The Company has recently produced further SOP product samples which have been dispatched to potential off-takers and strategic partners.

**Mark Savich, CEO of Agrimin said:** "We are delighted to appoint Charles as our marketing advisor. He brings a depth of experience from across the international fertiliser industry at a pivotal time as we look to finalise our marketing and off-take agreements."

**Charles Carriere, SOP Marketing Advisor said:** "It is exciting to join the Agrimin team following the exceptional feasibility results for the Mackay Potash Project and I am confident we will maximise the value of the Company's highly desirable SOP product. In particular, the recent certification of Agrimin's SOP for input into organic systems has generated significant interest in marketing and off-take opportunities."
